

Webinars & Videos

Watch webinars, tutorials and informative videos on qualifications, assessment and professional development.

SafeQual AB is dedicated to providing ongoing support and training for our Approved Centres. Our digital library offers a comprehensive collection of live webinars and on-demand videos designed to upskill your assessment teams, navigate our operational platforms, and stay updated on regulatory changes.

1 Upcoming Live Webinars (Autumn/Winter 2026)

Live webinars provide an interactive environment to learn from SafeQual AB's subject matter experts. Advanced registration is mandatory via the Centre Hub. All sessions are recorded and added to the on-demand library within 48 hours.

DATE & TIME	SESSION TITLE & FOCUS	TARGET AUDIENCE

02 Nov 2026 14:00 - 15:00 PM	Preparing for Annual EQA Visits What to expect, required documentation, and how to use the self-assessment reporting tools effectively.	Centre Managers, Lead IQAs
18 Nov 2026 09:30 - 11:00 AM	Reasonable Adjustments in Digital Exams Navigating the E-Assessment Hub to apply extra time, screen readers, and alternative formats for learners.	Exams Officers, SENCOs

2 System Navigation Tutorials

Short, targeted video guides designed to help administrative staff navigate the SafeQual AB digital ecosystem efficiently.

- **LRP Basics:** Registering a new learner cohort and managing personal details (5 mins).
- **Bulk Uploads:** Using CSV templates to register 50+ learners simultaneously without errors (8 mins).
- **E-Certificate Claims:** The end-to-end process for finalizing grades and requesting digital certification (6 mins).

3 CPD Masterclass Series (On-Demand)

Continuing Professional Development (CPD) is a critical requirement for all active assessors and internal quality assurers. Our masterclass video series allows staff to earn verifiable CPD hours at their own pace.

CPD: 2 HOURS

Inclusive Assessment Design

Strategies for creating assessment briefs that are accessible to neurodivergent learners without compromising the rigor of the qualification framework.

CPD: 1.5 HOURS

Malpractice Identification

Learn to spot the signs of AI-generated plagiarism, collusion, and unauthorized assistance in written assignments and digital portfolios.

CPD: 1 HOUR

Effective Feedback Delivery

Best practices for writing constructive, actionable feedback that motivates learners and clearly justifies the grading decision.

CPD: 2 HOURS

The Role of the IQA

A comprehensive overview for newly appointed Internal Quality Assurers, covering sampling strategies, standardized reporting, and assessor support.

4 Access & Certification Rules

Earning Your Certificate of Attendance

To claim CPD hours for viewing on-demand masterclasses, viewers must complete the short multiple-choice knowledge check located beneath each video player in the portal. A score of 80% or higher will automatically generate a downloadable *Certificate of Continuous Professional Development*, which should be stored in your center's staff qualification file.

Technical Requirements:

- All video content is hosted on the SafeQual Centre Hub. You must log in with an active staff account to view these resources.
- Videos are optimized for standard broadband connections and are compatible with all modern desktop and mobile web browsers (Chrome, Edge, Safari).
- Closed captions (CC) and downloadable text transcripts are available for all live and on-demand video content.
